4	(d) Before July 15 of each year, the redevelopment commission
5	shall do the following:
6	(1) Determine the amount, if any, by which the property tax
7	proceeds to be deposited in the cultural and performing arts
8	development fund will exceed the amount necessary for the
9	purposes described in section 24 of this chapter.
0	(2) Notify the county auditor of the amount, if any, of excess
1	tax proceeds that the redevelopment commission has
2	determined may be allocated to the respective taxing units in
.3	the manner prescribed in subsection (b). The redevelopment
4	commission may not authorize an allocation of property tax
5	proceeds under this subdivision if to do so would endanger the
6	interests of the holders of bonds described in section 25 of this
7	chapter.
8	(e) Notwithstanding any other law, each assessor shall, upon
9	petition of the redevelopment commission, reassess the taxable
20	property situated upon or in, or added to, the district effective on
21	the next assessment date after the petition.
22	(f) Notwithstanding any other law, the assessed value of all
23	taxable property in the district, for purposes of tax limitation,
24	property tax replacement, and formulation of the budget, tax rate,

26	located, is the lesser of:
27	(1) the assessed value of the taxable property as valued
28	without regard to this section; or
29	(2) the base assessed value.
0	Sec. 19. (a) A redevelopment commission may, by resolution,
31	provide that each taxpayer in a district that has been designated as
32	an allocation area is entitled to an additional credit for taxes (as
3	defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and
34	payable in May and November of that year. One-half (1/2) of the
55	credit shall be applied to each installment of property taxes. This
66	credit equals the amount determined under the following STEPS
57	for each taxpayer in a taxing district that contains all or part of the
8	cultural and performing arts development district:
19	STEP ONE: Determine the part of the sum of the amounts
10	under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through

IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

41

42

STEP TWO: Divide:

1	(A) the part of the county's total eligible property tax
2	replacement amount (as defined in IC 6-1.1-21-2) for that
3	year as determined under IC 6-1.1-21-4 that is attributable

6	STEP THREE: Multiply:
7	(A) the STEP TWO quotient; by
8	(B) the total amount of the taxpayer's taxes (as defined in
9	IC 6-1.1-21-2) levied in the taxing district that would have
10	been allocated to the cultural and performing arts
11	development fund under section 18 of this chapter had the
12	additional credit described in this section not been given.
13	The additional credit reduces the amount of proceeds allocated and
14	paid into the cultural and performing arts development fund under
15	section 18 of this chapter.
16	(b) The additional credit under subsection (a) shall be:
17	(1) computed on an aggregate basis of all taxpayers in a taxing
18	district that contains all or part of a cultural and performing
19	arts development district; and
20	(2) combined on the tax statement sent to each taxpayer.
21	(c) Concurrently with the mailing or other delivery of the tax
22	statement or any corrected tax statement to each taxpayer, as
23	required by IC 6-1.1-22-8(a), each county treasurer shall for each
24	tax statement also deliver to each taxpayer in a cultural and
25	performing arts development district who is entitled to the
26	additional credit under subsection (a) a notice of additional credit.
27	The actual dollar amount of the credit, the taxpayer's name and
28	address, and the tax statement to which the credit applies must be
29	stated on the notice.
30	(d) Notwithstanding any other law, a taxpayer in a cultural and
31	performing arts development district is not entitled to a credit for
32	property tax replacement under IC 6-1.1-21-5.
33	Sec. 20. (a) The state board of accounts and the department of
34	local government finance shall adopt the rules and prescribe the
35	forms and procedures that the state board of accounts and the
36	department of local government finance consider appropriate for
37	the implementation of an allocation area under this chapter.
38	(b) After each general reassessment under IC 6-1.1-4, the
39	department of local government finance shall adjust the base
40	assessed value one (1) time to neutralize any effect of the general

reassessment on the property tax proceeds allocated to the cultural

and performing arts development fund under section 18 of this

41

1	chapter.
2	Sec. 21. (a) After entering into an agreement under section 14 of
3	this chapter, the redevelopment commission shall send to the
4	department of state revenue:
5	(1) a certified copy of the designation of the district under
6	section 13 of this chapter;

8	section 14 of this chapter; and
9	(3) a complete list of the residents and employers in the
10	district and the street names and the range of street numbers
11	of each street in the district.
12	The redevelopment commission shall update the list provided
13	under subdivision (3) before July 1 of each year.
14	(b) Not later than sixty (60) days after receiving a copy of the
15	designation of the district, the department of state revenue shall

22	this chapter.
23	Sec. 23. (a) The treasurer of state shall establish an incremental
24	tax financing fund for each district designated under this chapter.
25	The fund shall be administered by the treasurer of state. Money in
26	the fund does not revert to the state general fund at the end of a
27	state fiscal year.
28	(b) Subject to subsection (c), the following amounts shall be
29	deposited during each state fiscal year in the incremental tax
30	financing fund established for a district under subsection (a):
31	(1) The total amount of state gross retail and use taxes that
32	are remitted under IC 6-2.5 by businesses operating in the

34	deposited equals the gross retail incremental amount for the
35	district.
36	(2) The total amount of the following taxes paid with respect
